

## **Inspiring Innovation in Classrooms by DPS**

**24.07.17 – 25.07.17**

A workshop on 'Inspiring Innovation in classrooms' was organized by Delhi Public School Society at HRD Centre, Lodhi Road on 24.7.17 and 25.7.17. The main and important objective of the workshop was to bring innovation in the classrooms. The very essential need for the teachers is to be creative for retaining their sustainability with the changing times. The world is fast growing, evolving and emerging with new areas of learning. It is essential to converge, assimilate and execute newer ideas in such a way that it becomes interesting for the learners. The workshop was held for two days. The sessions were enriching and motivating and gave a lot of insight for improvising the techniques and methodology in teaching and learning programme. The workshop helped us to understand the importance of arising curiosity in children that would lead to creativity and innovation in our pedagogical approach.
