

Rope In Refresher by MSIL

25.05.17

A training programme 'Rope In Refresher' was organised at Maruti Suzuki India Limited on 25th May'17. A group of 25 teachers from Delhi Public School, Maruti Kunj and DLF City-II attended the programme. Mr Kaushik Roy conducted the programme.

The key objectives of the programme were:

- Identifying and recognizing students who face challenges in learning.
- Designing a strategy for such students.
- Role of the teacher in developing the overall personality of the child.

The programme concluded with the discussion of the pattern of question papers. Teachers were given suggestions for setting the difficulty level as per the capability of all the students. The programme made teachers internalize and gave insight in their essence of being teachers.
