

## **Training Programme by MSIL**

**24.05.17**

Maruti Suzuki India limited (MSTA) organised a one day training programme on First Aid on 24.05.17 (Wednesday). The venue was Maruti Suzuki Training Academy. The resource persons were Dr.T.C.Gupta and Dr.V.K.Maheshwari. Dealing with sudden cardiac arrest, burns, heart attack, internal and external bleeding, CPR-10, etc. were discussed and demonstrated in detail. Causes and effects of such emergencies were explained. It is important to provide immediate assistance to the victim at the time of any accident or injury as it is the first and the foremost thing. The guiding principle of '3P's. Prevent Further Injury, Preserve Life, Promote Recovery. The workshop was very effective and fruitful. It laid down a set of guidelines and principles to be followed in case of emergencies.
