

A workshop on 'Creating a better world....through Social Science classroom' was organized by Pitamber Publications and Rising Sun on 22nd of May, 2017 at Lotus Valley International School, Gurugram. Around fifty teachers from different schools attended this workshop. The workshop began with a welcome address by Ms. Anita Malhotra Principal, Lotus valley International School. She advised the teachers to make full use of all that they learn in the workshop for the benefit of students and she also told us to teach SST in such a way that the subject will be fun to grasp instead of associating it with different myths.

The workshop aimed at providing a meaningful dialogue between the students and the subject rather than just being a subject of information. Mr. Rajesh Awasthi, Principal, Choithram School, Indore, the resource person stressed on the role of a facilitator in connecting the past with the present. He also encouraged the teachers to co-relate the subject with the contemporary situations to make the students more empathetic towards their surroundings.

The workshop also aimed at creating a more informed and aware students, who can challenge the norms of the society and can also give solutions to the many problems at hand. Overall it helped us to introspect and bring about the required changes and create a more vibrant classroom. The workshop catered to the professional growth and development of Social Science teachers.

All the teachers received participation certificates during the Valedictory Ceremony.
